STYLE

de Die Sehnsucht nach alten Werten wächst und wir folgen wieder den Spuren der Vergangenheit. Um sie lebendig zu erhalten, um ihre Einzigartigkeit zu unterstreichen. Ist es die Zeitlosigkeit, die uns anspricht und fasziniert? Oder das Vergangene mit seiner besonderen Ausstrahlung, mit seiner Präsenz und ureigenen Schönheit?

Vintage – die Designlinie mit dem subtilen Charme und der Kraft des Ursprünglichen, gibt darauf Antworten. In den Farben, in Strukturen und Ornamenten. Mit den Zeichen der Zeit, die uns Geschichten erzählen. Die Impulse im Raum setzen und uns wieder den Ursprung erleben lassen.

en The longing for old values is growing, and once again we are following the traces of the past. In order to keep them alive and underscore their uniqueness. Is it the timelessness that speaks to us and fascinates us? Or that which has gone before, with its particular radiance, its presence and inherent loveliness?

Vintage – the designer line with the subtle charm and strength of the original has the answers. In the colours, in the textures and in the ornamentation. With the signs of time that tell us stories. That provide impulses, and enable us to experience the origins once more.

fr La nostalgie des valeurs anciennes revient en force et nous suivons les traces du passé. Pour les garder vivantes, pour souligner leur caractère unique. Est-ce l'intemporalité qui retient notre attention et nous fascine? Ou bien est-ce le passé avec son charme particulier, sa présence et sa beauté si singulière?

Vintage – la ligne design au charme subtil et à la force de l'originel y donne des réponses. Par ses couleurs, ses structures et ses motifs. Avec les signes des temps qui nous racontent des histoires. Qui créent des stimulations dans l'espace et nous font revivre l'authentique.
